

# TRENDO

Perfectly matching with old-school bikes, such as classic Dutch bicycles, cargo bikes or cruiser bikes, the TRENDO revives nostalgia with its 50's look! It revisits a time when lights were simple: shell-shape housing and visor integrated in the glass.

LIGHT SOURCE*	1 white LED > 15 Lux
POWER SOURCE	DYNAMO (XDOc) BATTERIES 3 x AA 1.5V (XB)
